

BARILLA Italia

Barilla is an Italian family owned food company. Established in 1877, it is now an international Group present in more than 100 countries. Leader for pasta, for ready-made sauces in Europe, for bakery products in Italy and for crisp breads in Scandinavia, it employs over 8,000 people and owns 30 production sites in the world. In Barilla we strive every day to be the preferred company for People, promoting healthy and joyful food experiences, reducing our impact on the Planet and fostering an open and caring dialogue in the Communities in which we operate. This is why we believe that the "Good for You, Good for the Planet" approach is the only way for doing business for our Group. Because we are family owned, we do not put profits ahead of our passion for superior quality and sustainable growth.

PROGRAM

In Barilla we are looking for energetic individuals who share our values and want to be part of our journey to build the Barilla of the future. If you are driven by challenges, look things with a changing perspective and are not afraid to show initiative, you will have endless opportunities to grow, perform and contribute to our constant development.

In particular Barilla is looking for candidates to be involved in a **6 months internship in RESEARCH, DEVELOPMENT & QUALITY department** in our HQ in PARMA. The selected profiles will have the opportunity to potentially write their master's degree thesis".
