Gamification for recruitment processes

(Business Game - Number of participating students: 10 maximum)

RANDSTAD
Room 15

The labour market is innovating and changing quickly, and recruiters are increasingly demanding.

Undertaking career guidance activities before graduating will improve your employability prospects.

Participate in the following events organized for you during the 1st semester of the 2019/20 academic year

Participation is free and open to all students and graduates from all faculties of the University.

Participation is compulsory* before applying for an internship for students at the Piacenza Campus (who did not attend the same seminar series during last year) enrolled for 2019/20:

- 1st and 2nd year of Master's degree program in **Global Business Management**;
 - 2nd and 3rd year of Bachelor's degree program in **Sustainable Agriculture for Food Quality and Environment (SAFE)**.
-

- ***It is mandatory to attend at least 4 activities; you are free to choose from all events proposed: Seminars/ Workshops/Game.**

- A new cycle of events will be organized for the 2nd semester of 2019/20.

Due to different degree course timetables:

-attendance at the events organized in the 1st semester is highly recommended for students enrolled on **"GBM"**.

-attendance at the events organized in the 2nd semester is highly recommended for students enrolled on **"SAFE"**.

Students are free to choose from all the events organized during the whole year.

Attendance will be recorded.
